A LANDMARK SETTING

A landmark setting for an unforgettable day

Welcome to your wedding day

At such an exciting time, we extend our very best wishes to you both and assure you that your interest in our hotel is well earned. We take pride in the high quality of the team and facilities here at CityNorth Hotel and we are truly committed to delivering to your highest expectations, for one of the most important days in your life.

Central to this commitment is the fact that we will host only one wedding celebration per day, so you can relax in the knowledge that your personal wishes and special instructions are completely understood and carried out by our dedicated banqueting team and wedding co-ordinator, leaving nothing to chance on your wedding day.

CityNorth Hotel is fast becoming the venue of choice for weddings in the Northeast. We have earned a reputation for detailed planning, personal service and great food, combined with an excellent wedding package in a landmark four star setting.

A promise to you

Planning and attention to detail is at the heart of everything we do and your big day will start many months in advance as you discuss your plans with our experienced wedding co-ordinator.

Available to you at all times in advance of your wedding, they will make sure that we collectively cover every single detail from selecting the menu, deciding on the running order of the formalities to offering recommendations on wedding suppliers.

You will find our wedding package is very comprehensive, represents excellent value and offers you a wide range of choices to create the wedding day of your dreams.

We also include some added extras, such as a weekend away and a romantic first anniversary dinner, as our gift to you for choosing CityNorth Hotel.

* We have special arrangements for exclusive access to two privately owned stately homes as seen above, close to the hotel, for a unique backdrop for your wedding album... if you wish.

A leading venue

CityNorth Hotel is easy to find and very accessible for your guests. The hotel is a landmark on the M1 motorway, 20 minutes from Dublin Airport by car or Matthews Coach service, quickly reached from Dublin city centre or the M50 motorway, together with good local road and bus links.

Our Somerville Suites I & II offer you the choice of an intimate or large reception setting. The suites are cool and contemporary with double height ceilings and lots of natural light. They are situated close to the heart of the hotel yet also in a separate, self contained area that includes additional facilities such as a private bar and lounge area.

With its convenient location, CityNorth Hotel provides access to a wide range of local activities, such as golf, go karting or racing, which may provide the ideal get together for family or guests around your wedding celebration. We can help with these arrangements too.

The Somerville Suites can be individually dressed to suit your wedding theme and we are happy to work with you to achieve this...if you wish.

A wide choice of menus

We offer a wide choice of menus using only the best ingredients.

Our Executive Chef has put together a number of pre-set seasonally themed menu ideas or you can be creative and put together your own menu from our à la carte offering... if you wish.

Our Banqueting Manager is also on hand to offer advice on food and wine choices in terms of both taste preferences and budget.

Finally, we can also cater for any pre or post wedding events such as rehearsal dinners or family get togethers with brunch or barbeques. Just let us know.

A stunning bridal suite

After such an exciting day, nestle down in our bridal suite comprising a luxurious bedroom and bathroom, open plan lounge and separate dressing area. Relax in a king size bed with crisp linen, soft duvet and lots of large downy pillows.

We've thought of your comfort with bathrobes and slippers for you both, home made cookies, candles and bath oils. Let us treat you to a champagne breakfast the following day as you start your new life together.

Your guests will enjoy special overnight rates for the wedding date or special accommodation packages if they wish to extend their stay with us.

CityNorth Hotel has 128 rooms, including interconnecting bedrooms for families and converted rooms for disability access. Your guests also have the choice to upgrade their deluxe accommodation to a larger Executive room... if they wish.

Four star service

From the moment the planning starts with us, to the wonderful day itself and the catch up with family and friends the day after, through to your first anniversary celebration... *we're with you all the way.*

A finishing touch

And... just when you thought your special occasion was over it's time to start making plans for a relaxing weekend away in our sister hotel, the stylish four star Tullamore Court Hotel & Leisure Centre, with our compliments.

In addition, on your first anniversary we look forward to welcoming you back to the hotel to share a romantic dinner in the Mornington Restaurant, again with our compliments.

Gift vouchers are a great way to say thank you and give someone the opportunity for an overnight stay, a romantic meal, afternoon tea or an evening sampling signature cocktails. The choice is theirs with a CityNorth Hotel gift voucher.
