

After such a difficult year It's time to plan ahead! Let's head to Co. Monaghan for a family get together where all generations can come together and make up for all those missed Birthdays and Celebrations.

The perfect choice for your 2 day trip away is the 4\* Nuremore Hotel & Country Club, located ideally only one hour from Dublin and Belfast. Arrive by luxury coach, this can be arranged to transport you from any location nationwide by our sister company, Cronins Coaches. Sit back, relax and enjoy the onboard wifi. Once you have checked in to your luxury bedroom take time to explore and enjoy all that the Nuremore Hotel has to offer.

***Don't forget the Golf Clubs-*** The 18-Hole Championship Golf Course at the Nuremore Hotel & Country Club has been described as one of the most picturesque parkland golf courses in Ireland. This superb, 71 par course makes superb use of surrounding lakes and landscape to be enjoyed at any time of the year and whether you're a beginner or an experienced golfer a round of golf on the Nuremore course is bound to frustrate and delight in equal measure!

***Pamper Time-***De-stress and relax in the Treatment rooms at Nuremore where they offer a wide range of facial, body and beauty treatments. View the Treatment Room Brochure for details on their new signature facials and full range of beauty and pamper treatments.

***Swim & Serve-***pay a visit to the Vida Leisure Club with their 18-metre swimming pool, fully equipped gym with Steam Room and Sauna. For those with any energy left there are 2 onsite tennis courts!!

After all that activity time to catch up and enjoy a leisurely dinner in the informal Ivy Bar.

## Explore Monaghan

After Breakfast, time to explore all that Monaghan has to offer. The coach can drop and pick up from all locations, allowing for all different interests to be catered for.

First Stop for all Poetry Lovers-The Patrick Kavanagh Centre preserves, interprets, and celebrates the life and works of Patrick Kavanagh and the surrounding environment through collections, exhibitions, research and events that embrace the area's evolution and spirit.

For the more adventurous next stop is Irish Country Quads Irish Country Quads is an adventurous activity centre set between counties Monaghan, Louth & Armagh; Ireland. Take a tour on our purpose-built Quad Bike course that caters for bikers of all experience through all weather conditions. Quad Biking is an exciting and adventurous sport where everyone will have an incredible time

<https://irishcountryquads.com>

For a gentler activity visit the Busy Bee Ceramic Centre. When you visit our pottery studio you get to become a potter and learn something brand new. It's a great way to spend a day with family and friends. They make all the pottery ourselves including the pottery you are painting which makes it a truly Irish product.

After a busy day time to head back to the hotel and get ready for a Family Dinner to celebrate all those missed occasions. Enjoy the plush surroundings of a private dining room and enjoy a meal where the chefs use the freshest ingredients from our own vegetable and herb garden to create dishes which bring together the best of Classic European and Contemporary Irish cuisine. The New Award-Winning Wine List has something for every palette, including vintage wines from well-established names and little-known gems from exciting and new vineyards.

### **Time to Say Goodbye**

After Breakfast for a final get together lets head for Rossmore Forest Park where all generations can enjoy walks for all levels.

Castle trail: takes the walker through the more historical area of the park. Some of the manmade features that you will meet include the ruins of Rossmore Castle, the walled garden, Fish hatchery and reservoir. A further attraction on this walk is an avenue of yew trees which runs for approximately 500 meters.

Lakes Trail: As the name suggests this trail takes the walker to various lakes and water courses in the park.

Nature trail: follows a tarmacadam track through the wood which is adjacent to the car park. There are various marked stops along the way for added interest. There is also a tarmacadam path leading to a picnic area and a viewing point overlooking Barnhill Lake. This trail is suitable for wheel chair users.
