Day 2- Fun for All Day

After a Delicious Breakfast, board the coach and head for a day of fun activities and sight-seeing. First to disembark are the history buffs- visit Oldbridge House, The Battle of the Boyne Visitors Centre. The Battle of the Boyne is one of the most significant events in Irish history, part of a wider struggle for power across 17th century Europe. The battle is brought to life using a laser battle site model, audio visual film, real and replica weaponry and interactive guided tours. The Visitor Centre is located in the restored 18th century Oldbridge House surrounded by Victorian Gardens and battle site walks.

For the Younger Generation head for Tayto Park, with over 100 attractions and Zoo to enjoy. Tayto Park, one of Ireland's biggest and most entertaining theme parks, offers visitors a variety of exhilarating rides, animals on show, and playgrounds. Located in County Meath, the park is designed to offer the whole family an enjoyable and memorable day out. If you are familiar with the delicious flavour of Tayto Crisps, then be ready for an even more out of this world experience when you enter the theme park. You'll have an opportunity of meeting Mr. Tayto in person and have memorable pictures taken with him together with your friends and family. Your adrenaline will be kept upbeat with rides such as the mind numbing Tayto Twister and fast paced zip line.

Day 3- Time to Say Goodbye

But not before enjoying breakfast and checking out of the 4* Knightsbrook Hotel. For an end of tour activity for all generations head to the Beewise Garden Walk. The **Bee Wise Nature Trail** is located in the heart of the Boyne Valley, comprises of five acres of young woodland planted with a variety of bee loving trees, e.g. Sweet Chestnut, Rowan, Maple, Sycamore, White Beam, Arbutus (Strawberry Tree) and Oak. There is a large variety of flowering & fruiting hedgerows (including 1,000 Manuka TeaTree plants) planted to encourage a diversity of wildlife interspersed with areas of wild flowers to attract bees, butterflies and insects. A 1.5 km path meanders through the 5 acre site with information points and fun facts to peruse as you stroll through our natural environment. Take a few minutes out by sitting on one of our many benches to listen to the birds sing and watch the butterflies and bees all around you. We have built different types of habitats to show how simply they are to recreate in your own garden. A creeping thyme lawn in our picnic area demonstrates a low maintenance but high pollinator friendly area. Enjoy a Takeaway Picnic Lunch provided by the Knightsbrook Hotel.
