

To the Happy Couple,

Firstly may I say thank you for your interest in the Kenmare Bay Hotel & Resort. I am delighted to present you with our wedding brochure, which includes prices and menus as well as many of the complimentary extras we offer.

We have been holding weddings here for more than 30 years and have a great reputation for our attention to detail and our professional but personal approach to our couples. The hotel was updated and redeveloped in 2007 and our Banqueting Suite given a “New Look” in 2018 so we are confident that our venue will meet your needs in both style and comfort. This is one of the most important days that you will ever share and it is our aim to make it the most magical day of your lives in every way.

With that in mind, we offer a comprehensive wedding package, with many menu options to choose from. If you are working to a particular budget, we would be happy to meet with you and tailor a package to suit your requirements.

I am here to advise you on all the planning aspects of your wedding and I am available to speak to you about menu options, wines, flowers, themes and any other queries you may have.

Please do not hesitate to contact me if you require any additional information or would like to make an appointment to view the hotel and discuss your wedding. I would be delighted to supply you with a quote on request or help you with any other queries you may have relating to your wedding. Nothing is too much trouble; we are here to help make your day perfect.

With Kind Regards,

**Síle Browne**

## WEDDING TESTIMONIALS

*Having decided on Kenmare Bay Hotel for our wedding venue I could not wait for my now husband to see it in person, as he has never been to that part of Kerry before. We visited for the first time in June 2017. He was not disappointed- far from it, the venue is breath-taking, the furnishings are beautiful, not to mention the panoramic views of the mountains. We met with Tom, and were made to feel at ease from the onset, he is a great guy and absolutely phenomenal at his job. Both Tom and Sile were so helpful and were easily contactable by email or phone and we were never left waiting for a reply- nothing was too much for them. We had a small intimate wedding of 75 people, we will forever be grateful for the wonderful personalised experience created at Kenmare Bay Hotel. The food is absolutely divine- our guests are still talking about how good it was. The hotel provided the wedding car to collect my parents and me and take us to the church. Mossie, the driver is a gentleman and I felt like royalty. Despite there being rain on our day it didn't affect a thing, in fact the rainbow that appeared over the sky that could be seen from the window of the hotel made it all the more special. Go raibh míle míle maith agaibh, you turned our dreams into reality and left us with the most magical memories of the best day of our lives. We could not recommend Kenmare Bay hotel higher, if you want a stunning wedding, in a divine location- the Kingdom of Ciarraí, with Tom and Sile making your day stress free, then this is the venue for you. Enjoy every second ,as it will be over in the blink of an eye.*

### **Fionnuala & Alexandru (July 2018)**

*We were completely overwhelmed by the high standard of the Kenmare Bay Hotel. To me, it was five star treatment all the way. From the moment we first met to discuss our wedding we were very happy with the service all around. If it is good quality food you want for your meal, a beautiful function room and honestly, the best advice, then make sure you chose the Bay. Tom is an absolute professional. He knows what he is doing and is very good at it. He gives great advice and is straight about it, which I loved. We didn't worry about one single detail. Young children to the elderly and everything in between were taken care of. All staff are courteous and professional. I would highly recommend the Kenmare Bay Hotel to anyone looking at Kenmare for your wedding.*

### **Louise & Maurice (July 2017)**

*We got married in The Kenmare Bay Hotel in February this year. From our first meeting in 2015 to the day after our wedding, all the staff could not have been more helpful. A special thank you to Tom who made sure everything went off perfectly on the day. The staff on reception, serving our meal and behind the bar were exceptional. All our guests complimented the food and quality of service throughout the day.*

*Massive thank you to all in The Kenmare Bay Hotel who made our day so special. Would highly recommend to all future brides and grooms.*
